

# IN THE DEEP MIDWINTER

IN THE DEEP MIDWINTER  
FROSTY WINDS MAKE MOAN  
EARTH STANDS HARD AS IRON  
WATER LIKE A STONE  
SNOW HAS FALLEN SNOW ON SNOW  
ON THIS SOLSTICE NIGHT  
IN THE DEEP MIDWINTER  
WAITING FOR THE LIGHT

OUR EARTH MUST HAVE ITS SEASONS  
WINTER FALL AND SPRING  
WITH SUMMER ALL SUSTAIN US  
FOOD FOR LIFE THEY BRING  
HOLDING HANDS TOGETHER  
DANCING ROUND WE GO  
IN THE DEEP MIDWINTER  
IN THE FIRELIGHT'S GLOW

IN THE DEEP MIDWINTER  
IN THE DARKEST NIGHT  
THE STARS RISE HIGH ABOVE US  
THE MOON IS SHINING BRIGHT  
FLOWER AND FRUIT ARE SLEEPING  
SLEEPING FAR BELOW  
IN THE DEEP MIDWINTER  
WARM BENEATH THE SNOW
