

## WASSAIL SONG

### *Verse One*

Here we come a-wassailing among the leaves so green.  
Here we come a-wand'ring so fair to be seen.

### *Refrain*

Love and joy come to you, and to you your wassail too,  
And we wish you good health and a happy New Year,  
And we wish you a happy New Year.

### *Verse Two*

Our wassail cup is made of the rosemary tree,  
And so is your beer of the best barley.

### *Verse Three*

We are not daily beggars that beg from door to door,  
But we are neighbors' children whom you have seen before.

### *Verse Four*

We have got a little purse of stretching leather skin.  
We want a little of your money to line it well within.

### *Verse Five*

Bring us out a table and spread it with a cloth.  
Bring us out a mouldy cheese and some of your saffron loaf.

### *Verse Six*

We greet the master of this house likewise the mistress too,  
And all the little children that round the table go.
